6th European Pharma Licensing Symposium

September 17th - 19th 2012

Budapest

Following the success of the IPLS meeting in Barcelona the EPLC are already well advanced in planning the next EPLS Meeting in Budapest. Straddling the romantic Danube River, with the Buda Hills to the west and the start of the Great Plain to the east, Budapest is recognised as the brightest jewel on the Danube and is often described as the most beautiful city in central Europe renowned for its culture and history.

The Venue - Marriott Budapest

Perfectly located on the banks of the Danube looking across to Buda Castle, the hotel provides the perfect location to host this enterprising event. The Conference commences with Registration and a Welcome Drinks Reception on the evening of September 17th – a perfect Networking opportunity to meet Sponsors and fellow delegates. In addition we will be hosting a Gala Dinner on Tuesday 18th cruising up the Danube, a further networking opportunity whilst taking in the illuminated sites of this beautiful historic city. EPLC have negotiated special discounted accommodation rates which can be booked directly on line via the weblink on the website :

The Theme: “Success Factors for Licensing”

Subjects will include topical issues such as :

- **Licensing vs. Acquisition**
- **Royalty Stacking and Renegotiation**
- **Regional Growth and Biosimilar Development Strategies**
- **Latest developments on AMNOG and the OTC Market in CEE countries.**

Partnering Sessions

In addition we plan to include specific partnering sessions from companies based in CEE and CIS countries, all of whom will be seeking partnering opportunities for their markets. So for those companies who are seeking to place their products with commercialisation partners in CEE and CIS markets this conference will offer a unique opportunity to identify and work with potential partners.
