

Supply Agreements

Key considerations as a buyer from the manufacturing and legal perspective

Supply Agreements 2 hour Online Workshop

Since the start of the Covid-19 pandemic, supply contracts have been under the spotlight as never before. Manufacturing deals have been closed between major pharma companies in record times, but not surprisingly as often happens for novel products, supply difficulties have arisen.

The AstraZeneca team will share their insights and experiences in this critical area of business.

Date - Thursday 18th November 2021

Time - 2pm-4pm

Investment: **£270 Members** (Non Members £300)

Learning Objectives

- Importance of due diligence, and the role of Operations/Supply Chain at each phase
- Supply Agreement key contract clauses
- How to build flexibility and protections into a contract to manage fluctuations in demand/raw materials
